Will You Be My Love?'*

St. Johnstone Football Club

I Do. I Do. I Do.

Set in the heart of bonnie Scotland, the ancient city of Perth holds an unique and inspiring Wedding venue.

Over 20 years ago this striking venue was, 'a barley and berry field' providing for the local community. Today McDiarmid Park offers an iconic, magical and unforgettable venue to celebrate your Wedding Day.

With nine rooms available for hire, from the spaciously versatile Centenary and Muirton Suites with wedding reception capacities of 80, through to the exclusivity of our Boardroom and Chairman's Suite for intimate celebration dinners for 12 guests. This, combined with our spectacular backdrop of one of the first purpose-built all-seated football stadiums in the UK, seating 10,740. Presents a wedding venue... with a difference.
